

# **BANNED BILL TOPICS**

The following topics are not permitted for bills in the Red, White, or Blue chambers.

**Cell phone use while driving**

**Legalization of marijuana**

**Plastic Bag Tax**

**Maternity/Paternity Leave**

**Physician Assisted Suicide**

**Eliminate/reduce Feminine Hygiene Tax**

**\*\*Note\*\*:** The point of Banned Bill Topics is to encourage students to think outside of the typical bill topics and is compiled by looking at last year's repeated bills. If students feel that their bills are questionably in one of these categories or are in one of these categories, but still a unique bill, please feel free to contact the Center for Civic Engagement staff in order to see if your bill topic is still permitted.
