

Committee Chair Recommendations

CONFERENCE A **CONFERENCE B**

(Circle One)

Each school may nominate 3 or more students as possible committee chairs. Please make additional copies of this form as needed. Also, please make sure you choose students with an excellent knowledge of parliamentary procedure, as they may be selected to lead sub-committees and co-chair at the committee level.

Remember, please **DO NOT** nominate students who are already elected **OFFICERS** at the conference. Also, all committee chair nominees must have participated in at least **ONE YMCA of Middle Tennessee Youth in Government Conference** prior to this Model United Nations.
