

# DEADLINES

## EFFECTIVE IMMEDIATELY

**Country Request Forms & Security Council Registrations** are now being accepted and will be assigned on a first-come, first-serve basis.

**Justice & Press Corps Applications** are also being accepted now. Justices will need to have ample time to research and prepare, and will receive additional info directly from the state office, so we will need their contact information sooner rather than later. The same applies for Press Corps delegates, whose applications will be evaluated before acceptance is granted. Once accepted, Press delegates will receive an additional assignment via email.

## OCTOBER 8, 2007

**General Assembly Resolutions, & Security Council Resolutions** are due.

All **Research & Position Papers** are due.

All **ICJ Memorials & Counter-Memorials** are due.
